

Planet Passionate

We're pioneering insulation and
building envelope technologies

With energy conservation at our core

Optimising space and maximising
property returns

Committed to achieving 100%
Net- Zero Energy by 2020

KINGSPAN LIMITED

A Global leader in high performance insulation and building envelope solutions. Improving building performance, construction methods and ultimately people's lives - that's what drives our teams across the world.

The world is rapidly changing and so are our customers' needs. At Kingspan we're creating the products of the future, today. We innovate, so that you never have to choose between efficiency, sustainability, style and safety.

Visit our stand C10 at the Architecture and Building expo 2019, this October to see how our solutions could help optimise your projects with high performance, swiftly installed, sustainable and safe solutions.
